COMMUNICATION FROM COMPTROLLER OF PUBLIC ACCOUNTS.

The following communication from the Comptroller of Public Accounts was ordered printed in the Journal:

May 17, 1927.

Hon. Claude D. Teer, Chairman, House Appropriations Committee, Capitol Station.

Dear Mr. Teer: Complying with your verbal request in regard to condition of available school fund at the close of the

fiscal year August 31, 1927, I beg to quote you the following figures:

Cash balance May 1, 1927. \$2,478,440.95
Less outstanding warrants. 419,114.63

Leaving net cash balance
May 1, 1927. 2,059,326.32

Estimated receipts from all sources to August 31, based on the collections for the previous years. 3,539,817.78

Total\$ 5,599,144.10

Less disbursements, including transfers to State text book funds for the remainder of the fiscal year 145,189.53

Total\$ 5,453,954.57

Less apportionment of \$1.50 that has been issued since May 1, of.... 2,023,431.00
3,430,523.57

Less amount of apportionment to be paid to August 31, 1928..... 2,023,431.00

Which makes the full \$14 apportionment for the present fiscal year, leaving a net cash balance to the credit of available school fund for the fiscal year ending August 31, 1927, of.....\$ 1,407,092.57

In the event the transfers to the State text book fund is not necessary to be transferred, there will be an additional \$135,381.71 credit to the available school fund.

The above figures do not take into consideration the increase in consumption in gasoline and, in my estimation, should there be no increase in consumption, it would not take more than \$500,000 to raise the apportionment for the next fiscal year to \$15.

The above information is taken from the records of the Comptroller's Department, which I feel sure is a safe estimate to work on. I will also state that Mr. Hardeman, the statistician of this Department, has gone over these figures with Hon. S. M. N. Marrs, Superintendent of Public Instruction, and he is thoroughly convinced and agrees that the information contained in this statement is correct.

I hope this information will be of value to you, and at any time I can assist you in any way, I am more than glad to do so.

Very truly yours,
S. H. TERRELL,
Comptroller of Public Accounts.

Reasons for Final Vote.

I voted for the bill as a whole, but voted against many of the items as each was taken up, believing many should not have been made, or if necessary, were too large. In voting for the bill on final passage, I did so believing it was, as a whole, the most economical measure which could be obtained.
